

MALAYSIAN ECONOMIC STATISTICS REVIEW (MESR), VOLUME 7/2022

Steady growth momentum continues, backed by a robust external position of 28.2% growth in the first half of 2022

MESR Volume 7/2022 presents the latest economic scenario based on the official macroeconomic statistics released by DOSM for May and June 2022. This edition features an article entitled "**Measuring Labour Productivity indices in Malaysia**", which studies the efficiency and effectiveness of each employee in generating value-added or overall output.

This MESR will assist users to have the latest information on the economic performance in detail.
