MALAYSIAN ECONOMIC STATISTICS REVIEW (MESR), VOLUME 1/2024

Malaysia's Economy to Sustain Moderate Growth Despite Global Headwinds

MESR Volume 1/2024 focuses on the recent statistics released in November 2023 and some forthcoming statistics for December 2023. Additionally, this edition is complemented with a box article entitled “**Understanding Women's Labour Force Trend in Malaysia**” which highlights the situation of women's empowerment in Malaysia through the observation of statistical trends in labour force participation.

This MESR will assist users to have the latest information on the economic performance in detail.

The full publication of the MESR Volume 1/2024 can be downloaded through [eStatistik](#) portal.
